

REMARKS

The present amendment adds new claims 5-25. Claims 5-12 depend from claim 1 to recite additional features of the composition of the invention. Claims 13-21 recite the method of simulating stockings using the composition of the invention, and claims 22-25 recite a packaged assembly. The pending claims in this application are claims 1-25, with claims 1, 13 and 22 being independent. New claims 13-25 are fully supported by the specification as originally filed.

In view of these amendments, prompt and favorable action is requested.

Respectfully submitted,

Garrett V. Davis
Reg. No. 32,023
